Department of Water Resources
Eastern Region

Meeting was called to order at 7 p.m. by President Kevin Rice. Minutes were read and approved. The financial report was given by Bill Gattung. Last years water dues were inadvertently deposited in the wrong account. A check was issued to put it back in the Highline Lateral Ditch where it belonged.. It was decided that there will be no dues for Williams Creek this year.

Kevin Rice will be in charge of cleaning the ditch and will receive \$500.00 for his services. The ditch is in pretty good condition this year and at this time we foresee no large repairs to it.

Discussed: _

Protest on Ed Tolman putting his protested water right from Williams Creek into Rainbow Ditch. Randy Capps will talk to Bob Loucks about this and it will be discussed at another meeting to be held in a few weeks.

We also discussed the elimination of two water diversion points on Williams Creek for Bill Gattung and a new diversion.

Late Notice of Claims for Diversions will be sent by Bill Gattung to various departments requested by the District Court of the Fifth Judicial District of the State of Idaho, in and for the County of Twin Falls, within the next thirty days.
